

THE WINE SCORING SYSTEM

95-100 Gold

A superb wine with great personality, character and complexity, but that is also true to its origins. An example that stands out among its peers as a supreme drinking experience.

90-94 Silver

An accomplished wine with considerable personality.
A classic example of its style or variety.

85-89 Bronze

A perfectly well-made wine which provides
an enjoyable drinking experience.

84 & below No Medal

For non-medal-winning wines we ask judges to write a more 'feedback-driven' note rather than a traditional tasting note.
